

JANUARY 18, 2008

TO: ALL STATE AGENCIES, SCHOOL DISTRICTS, MUNICIPALITIES, VOLUNTEER
FIRE COMPANIES AND POLITICAL SUBDIVISIONS

FROM: RONALD W. HILL
SENIOR STATE CONTRACT PROCUREMENT SUPERVISOR

SUBJECT: ADDENDUM TO AWARD NOTICE
CONTRACT NO.: **05-384-AC, CELLULAR/DATA EQUIPMENT & SERVICES**

ADDENDUM # 8

This addendum addresses new plans and pricing for both Voice and Mobil services made to Contract No.: 05-384-AC for Cellular Data Equipment and Services.

This Addendum is made and entered into by and between The State of Delaware and Cellco Partnership, doing business as Verizon Wireless for attachment to and modification of Contract No. 05-384-AC, effective on or about September 1, 2005, as amended (the "Agreement").

1. This Addendum No. 2 is an integral part of and modifies the Agreement. The terms used herein that are defined or specified in the Agreement shall have the meanings set forth in the Agreement. If there are any inconsistencies between the provisions of this Addendum and the provisions of the Agreement, the provisions of this Addendum shall control.
2. Section A Voice Services, is hereby amended to include a new Plan F "America's Choice® Select Calling Plans (Voice and Messaging)", as set forth in the attached form.
3. Section C Mobile Data Pricing, is hereby amended to include a new Plan C "BroadbandAccess Wireless Router Solution", as set forth in the attached form.
4. Section C Mobile Data Pricing, is hereby amended to include a new Plan D "Verizon Wireless Field Force Manager: Corporate Subscribers Only", as set forth in the attached form.
5. Section C Mobile Data Pricing, is hereby amended to include a new Plan E "Verizon Wireless VZ Navigator: Corporate Subscribers Only", as set forth in the attached form.
6. Section C Mobile Data Pricing, is hereby amended to include a new Plan F "Fleet Administrator", as set forth in the attached form.

7. Section C Mobile Data Pricing, is hereby amended to include a new Plan G “GlobalEmail Plan and Optional Feature (PDA/Smartphone and BlackBerry Solution)”, as set forth in the attached form.

Verizon Wireless looks forward to continuing to be of service to the State of Delaware. Verizon Wireless’ attached pricing offer supersedes any previous pricing offers. This offer does not incorporate or include any other prior or subsequent written or oral communications, materials, documents, representations or presentations of any kind. No part of this offer may be modified or otherwise amended unless done so in writing and signed by an authorized representative of Verizon Wireless. This proposed offer is valid for ninety (90) days from the above date, unless otherwise agreed upon between the State of Delaware and Verizon Wireless.

[†] Messaging is available in the National Enhanced Services rate and coverage area in the United States (including Puerto Rico). Messaging applies when sending and receiving text, picture and video messages to and from Verizon Wireless and Non-Verizon Wireless customers in the United States (including Puerto Rico), plus instant messages, text, picture, and video messages sent via email. Premium messages are not included.						

Section C Mobile Data Pricing: Plan E**Verizon Wireless VZ Navigator: Corporate Subscribers Only**Verizon Wireless VZ Navigator does **not** qualify for monthly access fee discounts.**Monthly Subscription Access Fee***

\$9.99 per user

Per-Day Charge (good for 24 hours*)

\$2.99 per user

NOTE: Both options are available through select handsets. *Airtime charges apply. Important Information: By subscribing to and/or using this application, Customer is consenting and permitting Verizon Wireless to gather, collect and use information regarding the location of Corporate Subscriber devices in order to deliver the location-based services provided through the use of the application downloaded. Verizon Wireless does not guarantee the accuracy or completeness of any information including location information displayed through this application. Always use caution when displaying and disseminating personally identifiable information about Customer or Corporate Subscribers, or their location to third parties. Subject to additional terms of use that will be presented on Corporate Subscriber's phone when service is first activated, and Get It Now agreement. Further information regarding VZ Navigator can be found on the Web at www.vznavigator.com. Do not attempt to enter or change information while driving. Please observe the Verizon Wireless "Drive Responsibly" policy, which can be found on the Web at www.verizonwireless.com. Update your privacy settings at Verizon Wireless Location Management or through the Location Management application. Only available in the National Enhanced Services Rate and Coverage Area. Service could be interrupted or disrupted due to atmospheric conditions, inaccurate ephemeris data and other factors associated with use of satellites and satellite data. Get It Now enabled and GPS enabled handset required for use.

Section C Mobile Data Pricing: Plan F

Verizon Wireless Fleet Administrator qualifies for monthly access fee discounts.	
Monthly Access Fee	\$49.99/Fleet Administrator Unit
MB Allowance	2 MB data usage for Fleet Administrator and all Accessories*
Overage Rate Per KB	\$0.015
Fleet Administrator Unit (FAU) (per vehicle)	\$599.99 (one time fee) Fleet Administrator 2.0 Upgrade: \$75.00/FAU (one time fee)
Accessories	
Mobile Data Terminal (MDT) (per vehicle)	\$329.99/MDT (one time fee) \$70 installation charge/MDT (if installed after initial Fleet Administrator installation)
ConEx Unit (per vehicle)	\$229.99/ConEx Unit (one time fee) \$70 installation charge/ConEx Unit (if installed after initial Fleet Administrator installation), includes one basic digital connection integration/ConEx
<p>NOTE: Subject to the NationalAccess terms and conditions. NationalAccess is available in the National Enhanced Services rate and coverage area (except Puerto Rico); see map at www.verizonwireless.com for details.</p> <p>NationalAccess: A data session is inactive when no data is being transferred, and may seem inactive while data is actively being transferred to a device, or seem active when actually cached and not transferring data. Customer is responsible for all data sent and received including "overhead" (data that is in addition to user-transmitted data, including control, operational and routing instructions, error-checking characters as well as retransmissions of user-data messages that are received in error) whether or not such data is actually received. Verizon Wireless will not be liable for problems receiving Service that result from Customer's Equipment. Megabyte NationalAccess data sessions need to be reinitiated after 24 hours. NationalAccess data usage is rounded to next full kilobyte at end of each billing cycle. Any unused portion of the megabyte allowance is lost. Equipment will not indicate kilobyte usage.</p> <p>Fleet Administrator: Billing period begins 2 days after ordering service. Requires Fleet Administrator approved Equipment to be installed by Verizon Wireless or its agent. Customer must provide additional information to facilitate installation via the Verizon Wireless Fleet Administrator registration web page. Customer must provide access to vehicles for purposes of device installation and de-installation. Hardware installation is included (Monday – Friday 8am-5pm Local Time). After hours, holidays and weekend installation subject to an additional fee of \$35. Customer will have 30 days to return Equipment for a full refund. A \$75 deinstallation charge per vehicle applies. Equipment return period begins when Equipment is installed or 30 days after billing period begins, whichever is earlier. For information and quotes on ConEx installations with multiple digital connections, analog connections, or custom integration, call Sales Support at 866-527-9896. For leased vehicle and other equipment transfers, a de-installation/re-installation fee of \$155.00 per vehicle applies for the base Fleet Administrator unit plus \$20.00 for each MDT and \$30.00 for each ConEx. Service Calls are \$65/visit and Tamper Calls are \$75/visit, not including the price of any replacement hardware. Customer consents to the tracking of vehicles and must obtain any necessary consent to tracking from vehicle drivers and passengers. Customer agrees not to tamper with, remove, or replace the devices after installation. No guarantee of accuracy of location information. Internet access, Windows 95, 98, 2000 or XP required, not available with MAC operating systems. Customer must install Fleet Administrator desktop software.</p>

Section C Mobile Data Pricing: Plan C

BroadbandAccess Wireless Router Solution						
VZAccess BroadbandAccess Wireless Router Solution Plans are eligible for monthly access fee discounts.						
VZAccess BroadbandAccess MB Plans						
Monthly Access Fee	\$39.99	\$59.99	\$99.99	\$149.99	\$249.99	\$549.99
Monthly Access Fee With Share Option	\$44.99	\$64.99	\$104.99	\$154.99	\$254.99	\$554.99
Data Allowance	40 MB	250MB	450MB	900MB	1800MB	4500MB
Overage Rate Per KB	\$0.001	\$0.0005				
NationalAccess Roaming	*****\$0.002 per Kilobyte** (Canada)					
Per Minute Rate†	\$0.25 per minute					
Domestic Long Distance	Included					
Notes: Current BroadbandAccess and NationalAccess coverage details can be found at www.verizonwireless.com . See attached Calling Plan and Feature Details for important information about calling plans, features and options. †Per Minute Rate applies to voice calls, IS-95 and other non-NationalAccess data usage in the United States. VZAccess MB Plans are only available for activation on Primary Router devices approved for use on the Verizon Wireless network. Current Primary Router approved models include the Digi Connect WAN, Digi Connect Port WAN, BlueTree 4600, Airlink Raven-E, Mobile Bridge, and Cisco 3G. Verizon Wireless does not include primary routers as part of its device offerings. Primary Router devices are available from the original equipment manufacturers. For additional information please see your Verizon Wireless Account Manager.						
Share Option: Sharing is available only among Corporate Subscribers to the Custom VZAccess SM Primary Router Plans with the Share Option. Each sharing Corporate Subscriber's unused KBs will pass to other sharing Corporate Subscribers that have exceeded their MB allowance during the same monthly billing period. Customer must maintain a minimum of one hundred (100) Corporate Subscribers choosing the Custom VZAccess SM Primary Router Plans with the share option at all times to qualify, otherwise Verizon Wireless reserves the right to remove the Share Option from all Corporate Subscribers. Unused KBs will be distributed proportionally as a ratio of the KBs needed by each applicable Corporate Subscriber to the total KBs needed by all sharing Corporate Subscribers. Plan changes may not take effect until the billing cycle following the change request. Sharing accounts require set up that may take thirty (30) to sixty (60) days.						

Section C Mobile Data Pricing: Plan D

Verizon Wireless Field Force Manager: Corporate Subscribers Only	
Verizon Wireless Field Force Manager qualifies for monthly access fee discounts. **	
Optional Feature Access Fee - Basic*	\$29.99 per user
